**Company Name**

Central Atlanta Progress is participating in a city-wide initiative to eliminate aggressive panhandling. One major aspect of the initiative is a public education campaign that delivers two messages: (1) stop giving money to aggressive panhandlers (2) redirect support to homeless shelters and social services centers. Our task is to distribute our messaging as widely as possible among Downtown employers, employees, students, residents & visitors in the upcoming weeks. The campaign will include various printed materials such as a brochure, referral card, and poster. We will also create electronic messaging and a website. Examples of printed pieces are shown below.
