

PLEASE HELP

**GIVE
CHANGE
THAT
MAKES
SENSE**

**Giving to panhandlers
is a LOSE-LOSE situation.**

You lose because your money is often used to support their addictions to alcohol and drugs.

They lose by continuing these destructive behaviors rather than seeking help. The more you give your change to panhandlers, the more their lives don't change.

**If you want
to help** invest in long-term solutions by giving your financial support and volunteering your time to helping local organizations and service providers.

To learn more about alternatives to handouts, please call the Ambassador Force of Downtown Atlanta at **(404) 215-9600**.
